Trapped inside my own imagination
Trying to find the perfect words to make some sense
Afraid of what you'll think of me and who I am
Fearful of the critics and the consequence of letting you in

Ch 1

| 1 /// | 5m /// | b7 /// | 4 /// |
| 1 /// | 5m /// | b7 /// | 4 /// |

What if I'm free but don't really believe it
What if I fail and everybody sees it
What if I'm loved but don't know just how much
What if you see everything but don't budge; what if

Vs 2

(SAME AS V1)

Why am I so scared to disappoint you
If I told you how I really feel
You know me better than I know myself
So why am I so scared to go and tell you what you already know

Vs 3 Down

(SAME AS V1)

We are all just trading affirmation
Bartering approval for our self esteem
Fear of missing out on the material
Keeps us from embracing the riches of eternity
